## **Hummus**

## **Ingredients**

- 1 can (15 ounces) chickpeas, rinsed
- 1/2 teaspoon baking soda
- 1/4 cup lemon juice
- · 1 garlic clove, peeled
- 1/2 teaspoon salt
- 1/2 cup tahini
- 2-4 tablespoons ice water
- 1/2 teaspoon ground cumin
- 1 tablespoon olive oil

## **Instructions**

- 1. Boil chickpeas and baking soda until chickpeas are bloated and their skins are falling off about 30 minutes. Drain and rinse.
- 2. While chickpeas are boiling, process lemon juice, garlic, and salt until smooth. Wait 10 minutes.
- 3. Add tahini and water to the food processor and process until smooth.
- 4. Add chickpeas and cumin to the food processor and process until smooth.
- 5. Season to taste.
